**Importance:** High

Mindy/Mike - Can you look at the WOTUS/Jurisdiction language.

Kathy - Can you review the assumption language. I don't like how it's combined with NPDES.

Russ - Do you think Bristol or any 404 reg issues rise to the level of OW priorities?

Please send me your edits tomorrow morning.

Thanks.

bf

Tom, Brian,  
OW is prepping for a one-hour briefing next Tuesday with our new Deputy Administrator Andrew Wheeler. The briefing will be used to cover all of the OW programs, so we will only have a few minutes to hit some of our highest OWOW priorities. Please update/add to the attached draft briefing using redline strikeout by 11:00 tomorrow.

Extra brownie points will be awarded to your Division if you send me additional background information to support the highlighted OWOW work. ☺

Please let me know if you have any questions.

Katherine

**Subject:** Prep for DA Briefing May 1  
**Importance:** High

Hi everyone, OW is scheduled to give an overview of the office to Andrew Wheeler next Tuesday May 1. Dave provided guidance based on his discussion with Andrew, who indicated he wanted the briefing to be career led. Dave indicated he and Lee would therefore be taking a back seat. Participants should include the ODs, DODs, and IO staff directors. Ann is working on getting everyone added to the invite.

Based on recent discussion with Dave we'd like to generally use the same WORD format that was used last February to brief the Administrator when he came on board. The attached short draft briefing organizes OW's current information into major categories. We would like to include a one or two sentence overview stating what the goal is under each major category. We've included all the regs/key actions that are listed in the Spring Reg Agenda, some items included as one page writeups for the Administrator, a few other key program actions, and text from recent speeches given by Dave, Lee, Benita as a guideline for you to consider including.

Please take a look at this format and the items that you'd like to include/talk about. Some of the bullets need more descriptive text. Could you send your redline strikeouts edits by Friday mid-day to me and Macara? If you want to add any other major categories please give me a call. Thanks! Christine
